Awareness in term of the Curriculum

PRE PRIMARY CURRICULUM

- Learning is made interesting, fun and activity oriented at this level.
- For Young children, opportunities are available to observe, handle a variety of natural and man-made material and hone their inherent virtue of questioning and sharing.
- Students are encouraged to participate in class activities as singing, drawing and coloring, writing, group games, clay modeling, puzzles and reciting.

- Poems and stories are dramatized using expressive actions.
- Focus is on laying foundation for literacy, numeracy & comprehensibility skills and on reinforcing an innate sense of discovery in everything that is taught.
- Nature walks and regular educational tours to the Zoos, Museums and Game Parks develop a sense of openness towards the world

PRIMARY CURRICULUM

- A thematic approach is designed to stimulate the children through various inter-active sessions and activities
- An extensive use of teaching aids to supplement classroom teaching
- Project works in class calls for mass participation. An equal emphasis is laid on developing a strong sense of individuality
- Field trips and excursions make learning fun
- Use of the newspaper articles, quizzes, crosswords and other learning tools enhance general awareness

MIDDLE CURRICULUM

- The emphasis is laid on building up the structured, student-centered and enquiry-based foundation laid at the Primary level.
- The curriculum is research oriented and learning opportunities are provided through worksheets in the classroom, laboratory time, library time, computer time and small group discussion time.
- Personality development is stressed through development of academic knowledge, the ability of question, sensory experiences and a honing of creative expressions.
- Emphasis is made on group work including story time, lecture demonstrations, large group discussions, conceptual explanations and group goal setting.

SENIOR SECONDARY CURRICULUM

- The emphasis is laid not merely on information, but also on the learning of academic and practical skills.
- The specialized program for this level strives to achieve balance between academic excellence and the life outside the realms of scholastic aptitudes.
- An equal stress is laid on preparing students for the prescribed CBSE syllabus and on preparing the students for the various competitive entrance examinations
- Result oriented training is imparted by experienced professionals who target for total development and desired success
- The concept of Synchronic-Study has been introduced to reduce stress levels of students. A synchronized study pattern is maintained between the course content of the board examinations and that of the competitive entrance examinations

- Students have complete access to the various laboratories and library resources, specially designed for the study and research requirements of the senior level students

HOUSE SYSTEMS

School fosters the learners with the values of team spirit, peer group support, leadership, responsibility, decision-making, commitment, group loyalty, fraternity, public speaking, intellectual empowerment, self-development, healthy rivalry and competitiveness through the House System consisting of four houses named after famous Indian Scientists/Indian rivers, ranges or peaks/Indian Eminent Personalities/Values or Character Building/ to honor them and to inspire learners to learn from them.

S.no	Name of the House	Motto	Name Of the House-in-Charge	Name of the House Captain
1	Bhardwaj (Blue)	Teamwork is the ability to work together	Mr. Bhagwati Lal Teli	Ma. Avish Jain
2	Vishwamitra (Yellow)	Lead to succeed	Mrs. Indubala Rawal	Ms. Jahnvi Trivedi
3	Vashishtha (Red)	Service before self	Mrs. Veena Jain	Ma. Kavya Jain
4	Gautam (Green)	Discipline is the true foundation of liberty	Mr. Tarun Kr. Trivedi	Ma. Parth Jain

Every child is allotted a House on the day of admission to the school, to which the child contributes his/her best to uphold the motto of respective house. Through the daily contact time of morning roll call and a 45 minute House Meeting per fortnight/monthly, House Mentors and prefects are able to monitor learner's progress and cultivate positive relationships. It instills a closer rapport between learners & mentors and provides learners with ample opportunities to exhibit their talent and learn new skills.

The Houses compete in different sporting, cultural and academic competitions and provide an excellent platform to synergize learners of different classes and ages where they and their houses are rewarded points on their excellence and performance level. These activities run in conjunction with different departments in the school enabling learners to demonstrate their prowess in Poetry, Drama, Dance, Classics, Maths, Science, Art and Craft, Sports, Music, Debating and Literature.

Champion House Trophy is awarded to the House with the highest point total on the Grand Annual Day of the School. There is a wonderful sense of camaraderie generated throughout the school with the house system
